THE NORMONS AT HOME.

Descriptive of a tour through
KANSAS AND UTAH,
And of a residence at the
GREAT SALT LAKE CITY.

By Mrs. B. G. Friers, wife of the late United States Socretary
for Ulah.

One vol., 12mo. Frier 75 cents.

Portions of this work have appeared in "Punsam's Monthly,"
unden the title of "Life among the Mermonn," and have been
received by the press and the public with the strongest eridence of commendation and interest. The facilities enjoyed by
the author for apprehending the general public polity of the
Marmon leaders, and ior observing the effect of this polity upon
the interior social and family life of the people, were such as to
secure for her report peculiar and permanent value.

We add some opinions of the press on that portion of the
work that appears in "Putnam's Mouth;";—
"Life among the Mormone" is continued in this number, and
the writer paints to the life the fearful wickedness of the ureary
indeality and resumal summitties of Mormondom. Pandemontum has no spot in Christendom where iniguity is carried
on more perfectly in a wholesale way than in Ulah Yalley. A
